

32nd ANNUAL CONFERENCE

BOOKING FORM

5th – 7th March 2010 Madrid

Hotel NH Eurobuilding, C/ Padre Damián, Madrid

In these times of deep economic crisis, the Association of British schools in Spain (**NABSS**) offers you a rare opportunity to approach the abundant and healthy educational market in Spain.

There are few untapped areas in Europe where there are so many British schools, so many Spanish “bilingual” private schools and so many students who are desperate to learn English. Madrid is the hub of this activity and the 2010 Congress is an opportunity that you cannot afford to miss.

The 32nd Congress of **NABSS** will be held between the 5th and the 7th March. It will be held in the NH Eurobuilding, which has the best conference facilities that we can find in Madrid.

The exhibition will be open not only to the teachers and Heads of the British schools in Spain, but the directors and staff of other “bilingual” and Spanish schools, the employees of language academies and parents of children in local schools will also be invited.

The price of a stand for the three day Congress is just 570€ which includes an invitation to the gala dinner on the evening of Thursday the 4th March. The very reduced price for the hotel that we have obtained includes breakfast and all taxes.
