The programme will commence with our Gala Dinner for Heads, Owners and Guests - an ideal introduction to our event and to the delights of the Valencia area. The following day, which is dedicated to heads and owners of schools, will include the opening ceremony and tour of the Education Exhibition followed by presentations from our Keynote Speakers. Thereafter, there will be an interesting programme of professional development for senior leaders and teachers, ensuring that we are well informed and kept up-to-date with the latest developments, reforms and trends in education. Authorised representatives of NABSS member schools will also attend the Annual General Meeting of the Association.

Last year over 55 exhibitors attended the event and made important contacts with British schools from all regions in Spain.

NABSS Schools

Heads, owners and staff from the 75 member schools will meet in Valencia for an extended weekend of professional development and networking focused on British education in Spain.

Exhibition

The exhibition has always formed an integral part of our conference and, once again, we will present our "Education Exhibition", at which we warmly welcome those companies that have staunchly supported us over the years and also the new companies which may be joining us for the first time.

The exhibition will be officially opened on Friday morning and will run until Sunday mid-day.

The annual conference provides ample opportunity for networking through our social events which this year will include our gala dinner, guided tour of Valencia, buffet lunches and coffee breaks, cocktails and the presentation of awards ceremony - all held in the exhibition area.

The venue chosen for this event is the Hotel Meliá Valencia which provides comfortable accommodation and excellent conference facilities with attractive space for all of our activities.

We urge you to mark the dates in your diary and make sure to reserve your stands and rooms as early as possible.
