GRADUATE ROUTE

Join the British Council and 50 UK universities for the Study UK Online Fair in October 2021 and February 2022.

From **4–8 October 2021**, through a series of webinars and live chats, **Study UK: The essentials** will give you all the information you need about studying in the UK, the application process, costs, campus life and new immigration rules.

From **14–25 February 2022**, **Study UK: Meet the universities** gives you the chance to talk directly to 50 universities from the UK about your study plans, their course offers and anything else you would like to learn about. You can use the live chat or schedule video calls with student advisors. You can also attend webinars to learn more about the subjects you are interested in.

Sign up today to get all the updates and join us in October and February.

Participation is free.
